Upcoming Special Programs for July include: A Digital Photography Computer Class, a “Serenade of Summer” from our interactive horticulturist, Sally Gruber and a fabulous “Lobster Feast” at the Log Cabin in Holyoke, Ma.

This past month we had 2 “Meet and Greets” with political hopefuls, David Segal, (Democrat) and Anthony Gemma (Democrat). Both gentlemen are running for Congress in the 1st District looking to fill Patrick Kennedy’s old seat.

We also had a presentation by “Cap Tel”. Cap Tel is a unique phone system that displays every word the caller says throughout the communication. Users can listen to the caller and read the written captions on their phone for added clarity.

The Library hosted a month long exhibit of our talented “wood carvers” here at the Center. The display included all kinds of carved pieces such as birds and their habitats, flowers and caricatures.

The Center also distributed “Farmers Market coupons” to many of the seniors, enabling them to purchase fresh fruit and vegetables at various farmers’ markets throughout the town.
